

Keep your  
home and  
garden  
green and  
our water  
clean.

Keep the garden  
green and the  
water clean!

Give your  
garden a hug  
with good bugs!

Cover up trash  
each day to  
keep bugs away!

Ask people to  
use their brain,  
don't dump  
down the drain!
